

Associate Vicar Cromer Church

Cromer Church is a large and lively evangelical parish church on the beautiful North Norfolk coast. We are seeking to appoint an Associate Vicar with a heart for sharing the gospel in our town and helping us grow in numbers and maturity. Alongside overseeing our work with families and young people, you will also be the lead pastor for the congregations at St Martin's Suffield Park, and Roughton and Felbrigg villages.

We are looking for someone:

- committed to faithful Bible exposition among all ages
- experienced in growing gospel ministry among families and young people
- able to share strategic leadership of a busy parish church
- comfortable leading worship in a range of styles and settings, and trying out new forms
- energised by the opportunities available to reach many people with the good news of Jesus.

We can offer:

- A welcoming, loving and servant-hearted church family
- A spacious modern four-bedroom rectory
- A thriving seaside location with a strong community.

If you feel God is calling you to help make Jesus known in North Norfolk, we would be delighted to hear from you.

Closing date: 24 November 2021. Interviews: 15 December 2021.
