

CROMER CHURCH RISK ASSESSMENT - RA 34

Event name: BeachFest Good Friday activity morning for families

Date: Friday 15th April 2022

Activity: Activity morning in Cromer Churchyard outside Cromer Church,
in the church if wet

First stage	Second stage	Control measures		
Identify Hazard	Risk Involved	Risk	Minimise Risk by	Residual
'Losing' children	Children leave the site without the knowledge of parents/ carers	Med	Parents/carers fully responsible for looking after their children. BeachFest leaders exercise normal vigilance.	Low
Accessing the toilet facilities	Children need toilet also used by other adults	Med	Parents/carers are responsible for taking their young people to the toilet in the church and for taking their other children with them. Under no circumstances must parents/carers leave their other children unattended at the event whilst they are taking children to the toilet.	Med
Debris in the churchyard	Slips, trips, cuts	Med	BeachFest team do a sweep of the churchyard to remove debris/items before the event begins	Low
Minor accidents or injuries	Inappropriate use of sharp tools namely scissors & 4 hammers & nails on IK activity	Med	Careful supervision and management of all activities. Ben Rodgers is the designated, qualified first-aider and the first aid kit will be available. Activity leaders monitor use of sharp tools very carefully along with parental/carer supervision.	Low

Please note this is an informal BeachFest event, where families will dip in and out of the activities as they please.
